BULLETIN OF THE MONTH

Your Retirement: A Financial Planning Guide Home and Garden Bulletin No. 230

How to prepare, manage and anticipate changes that may affect your income during retirement are the basics for this revised publication. It also gives guidelines on pre-retirement, and suggests ways of supplementing and taking advantage of services offered for retired persons.

NOTE: Single copies of publications other than those listed **FOR SALE ONLY** may be obtained free as long as the supply permits from the Office of Governmental and Public Affairs, U.S. Department of Agriculture, Washington, D.C. 20250. Prices are given for the convenience of persons desiring to purchase these publications in quantities and for those who make frequent purchases of government publications. Remittances should be sent to the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402, except as otherwise noted.

Aphids on Leafy Vegetables: How to Control Them. (F 2148) 17 p. 90¢.

This revision describes the kinds of aphids that attack leafy vegetables, discusses natural control, such as insects that kill aphids, diseases, and weather. It also tells how to control aphids by cultural practices and with insecticides. Recommendations are given for the formulations and dosages of insecticides.

FARMERS' BULLETINS

Strawberry Culture: Eastern United States. (F-1028) 21 p.

Strawberries are important crops in the eastern United States. This slight revision tells how the plants grow, suitable sites, training systems, varieties, obtaining and care of planting stock, insects and diseases, and chemical weed control.

HOME AND GARDEN BULLETINS

Your Retirement: A Financial Planning Guide. (G 230) 32 p.

SEE BULLETIN OF THE MONTH

LEAFLET

Persian Clover-A Legume for the South. (L 484) Leaflet. 60¢.

Persian Clover is an excellent grazing plant. This slight revision tells where it grows, how it grows, how to prepare the seedbed and what it is used for.

United States Department of Agriculture
Office of Governmental and Public Affairs

July 1981

Publications Received During May-June

BULLETIN OF THE MONTH

How to Buy Economically: A Food Buyer's Guide Home and Garden Bulletin No. 235

This new publication gives pointers on how to buy meat, poultry, fruit, vegetables, and dairy products more economically. Also outlined are tips on cutting, meat price comparison, and crop availability.

NOTE: Single copies of publications other than those listed **FOR SALE ONLY** may be obtained free as long as the supply permits from the Office of Governmental and Public Affairs, U.S. Department of Agriculture, Washington, D.C. 20250. Prices are given for the convenience of persons desiring to purchase these publications in quantities and for those who make frequent purchases of government publications. Remittances should be sent to the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402, except as otherwise noted.

FARMERS' BULLETINS

Johnsongrass as a Weed. (F 1537) 19.

This revised publication explains ways to control Johnsongrass, one of the ten worst weeds in the world. Detailed instructions

are given for cultural control such as crop rotation, fallow plowing or disking, pasturing and mowing.

Growing Cauliflower and Broccoli. (F 2239) 15 p.

This slightly revised bulletin describes the varieties of cauliflower and broccoli and tells how to produce a successful crop. It explains procedures for planting, fertilizing, harvesting and packing these vegetables. Information on insects and diseases which attack and damage or destroy cauliflower and broccoli is also included.

Solar Heating For Brooding Chickens. (F 2272) 12 p.

This bulletin gives plans for an experimental solar heating system for brooding and growing broiler chickens. Recommended material, storage media and building site requirements are discussed as are the advantages and disadvantages of solar heating.

HOME AND GARDEN BULLETINS

Growing Camellias. (G 86) 12. \$1.75.

This slightly revised bulletin describes three species of camellias in general cultivation in the United States, and discusses how to select, plant, and care for these shrubs. Information on ways to protect the plants against insects and diseases is also included.

Growing Peonies. (G 126) 11 p.

Peonies are hardy perennial plants. They need little care and live through severe winters. This slight revision tells how peonies grow, how to buy, plant, and care for them.

Growing Tomatoes in the Home Garden. (G 180) 13 p. \$1.00.

This slight revision tells how to choose tomato varieties; suggests best time and location for planting seeds or seedlings; and gives directions for seeding, transplanting, care, and harvesting of tomatoes.

How to Buy Economically: A Food Buyers Guide. (G 235) 27 p.

BULLETIN OF THE MONTH

Control of Insects on Deciduous Fruits and Tree Nuts in the Home Orchard Without Insecticides

Home and Garden Bulletin No. 211

This slightly revised bulletin is prepared for the home gardener. It tells how to control insect mite pests of deciduous fruits and tree nuts. It also tells the gardener about other insects that do not cause damage to plants but are beneficial to man and how to recognize them.

NOTE: Single copies of publications other than those listed **FOR SALE ONLY** may be obtained free as long as the supply permits from the Office of Governmental and Public Affairs, U.S. Department of Agriculture, Washington, D.C. 20250. Prices are given for the convenience of persons desiring to purchase these publications in quantities and for those who make frequent purchases of government publications. Remittances should be sent to the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402, except as otherwise noted.

FARMERS' BULLETINS

Growing Ginseng. (F 2201) 8 p.

This slightly revised publication describes American Ginseng. It discusses adaption of plants to cultivation, culture, propagation, harvesting, and market value.

Farm Lighting. (F 2243) 13 p.

This revised bulletin contains recommendations and suggestions for lighting farm buildings both inside and outside.

Pork Slaughtering, cutting, preserving, and cooking on the Farm. (F 2265) 65 p. \$2.10.

This slightly revised bulletin gives detailed instructions for slaughtering, cutting, and processing pork on the farm. It also includes information on equipment, type of hogs to slaughter and care of hogs before slaughtering.

Bimonthly List of Publications and Visuals

United States Department of Agriculture
Office of Governmental and Public Affairs

November 1981

Publications Received During September-October

BULLETIN OF THE MONTH

Meat and Poultry Products: A Consumer Guide to Content and Labeling Requirements. Home and Garden Bulletin No. 236

This publication is a consumer's guide to content and labeling requirements for meat and poultry products. It tells how standards are established, how you can participate, and why you should know about labeling requirements.

NOTE: Single copies of publications other than those listed **FOR SALE ONLY** may be obtained free as long as the supply permits from the Office of Governmental and Public Affairs, U.S. Department of Agriculture, Washington, D.C. 20250. Prices are given for the convenience of persons desiring to purchase these publications in quantities and for those who make frequent purchases of government publications. Remittances should be sent to the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402, except as otherwise noted.

FARMERS' BULLETINS

Rearing Lambs on Milk Replacer Diets.
(F 2270) 22 p.

This slightly revised bulletin tells sheep growers how to gain the full benefits of multiple birth by artificial feeding. A Satisfac-

tory lamb milk replacer diet is described, and nursing equipment and techniques are discussed.

HOME AND GARDEN BULLETIN

Storing Vegetables and Fruits in Basements, cellars, outbuildings, and Pits.
(G 119) 18 p. \$2.00.

This bulletin tells how to store vegetables and fruits without refrigeration in the colder parts of the United States. It discusses storage facilities, temperature, moisture control and storage requirements of several vegetables and fruits.

Meat and Poultry Products: A Consumer Guide to Content and Labeling Requirements. (G 236) 23 p.

Bimonthly List

Publications Received During November - December

BULLETIN OF THE MONTH

A Guide to Budgeting for the Young Couple. Home and Garden Bulletin No. 98

This slightly revised bulletin will be of help to young married couples who want to make a good start in managing their finances. It contains the basic steps in preparing and using a simple workable budget. It also explains why a plan is necessary, how to determine what plan to use, and the steps involved in making a plan.

NOTE: Single copies of publications other than those listed **FOR SALE ONLY** may be obtained free as long as the supply permits from the Office of Governmental and Public Affairs, U.S. Department of Agriculture, Washington, D.C. 20250. Prices are given for the convenience of persons desiring to purchase these publications in quantities and for those who make frequent purchases of government publications. Remittances should be sent to the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402, except as otherwise noted.

FARMERS' BULLETINS

What Young Farm Families Should Know About Credit. (F 2135) 18 p. \$1.25.

Credit can help you reach an objective sooner. Credit enables you to buy or invest when you don't have enough cash. This slightly revised bulletin gives some benefits and risks of credit, reasons for obtaining credit, deciding when to borrow, and how much to borrow. Also included are kinds of loans available and the cost of credit.

HOME AND GARDEN BULLETINS

A Guide to Budgeting for the Young Couple. (G 98) 15 p. \$1.75

SEE BULLETIN OF THE MONTH

Protecting Woolens Against Clothes Moth and Carpet Beetles. (G 113) 8 p.

This slightly revised bulletin describes these pests (with drawings)—their development, habits, and how they spread—and what to do to protect your clothing and furnishings from them. Protective treatments such as mothproofing, good house-keeping, and the use of sprays are mentioned as effective measures.

LEAFLETS

Pesticides and Honey Bees. (L 563) 7 p.

This revised leaflet discusses the precautions farmers and beekeepers should take to reduce honey bee losses from pesticide poisoning. It also lists commonly used pesticides and groups them according to their relative hazards to honey bees.
